Parents and/or Guardians,

Please reference the above activities over the week of April 27-May 8th. The online materials can be accessed by clicking on the link below '**Beach & Ocean**' above which will link you to a *Shared Google Doc* page called OCEAN SLP Documents. **DO NOT** feel obligated to do all the tasks listed each day – pick and choose what interests you and your child. Also, look at your child's IEP Goals related to communication and find activities that correlate to those goals (e.g. WH-questions, sequencing, categories). If your child has speech sound goals, look at the specific sounds listed and practice those words listed in the '**Speech Sounds/Articulation**' folder in *Shared Google Docs*. If you have questions, please don't hesitate to contact your child's speech and language provider by phone or email.

Thank you!
